FUNCTIONS AND OBJECTIVES:

- This programme will be conducted once in a academic year before the regular classes starts for the first year students only.
- The purpose of the SIP is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self exploration.
- The college was established to train graduates in their respective branch/department of study, have a holistic outlook towards life, and have a desire to work for national needs and beyond.
- The graduating student must have excellent knowledge and skills in the area of his study.
